

Artist Application

Thank you for your interest in displaying your art with the Art Gallery of SnoValley!

All artists, both 2D and 3D, rent display space for \$55 per month. There are three levels of participation, which determines the commission rate*. **Full Member Artists** staff the Gallery and assist with Gallery management tasks, as well as attend meetings with full voting privileges. The Scheduler determines the necessary hours we work, which is currently 12 staffing hours and approximately 8 task hours a month, for a total of 20 hours a month. **Task Artists and Staff Artists** commit to volunteering 12 hours per month, either doing tasks or working shifts. **Display Artists** simply bring their art to the Gallery to be displayed.

*Commission Rates:

- 0% for Full Member Artists who help staff the Gallery and do management tasks, as well.
- 20% for those who either perform specific Tasks or Staff the Gallery.
- 30% for artists who simply want to display their art at the Gallery.

Application Instructions:

Please send 3-5 digital images (jpgs) representative of your work, along with this completed application and a little information about yourself to SnoValleyGallery@gmail.com. The Gallery Members will review your application and contact you within 1-2 weeks. If accepted for the jury process, applicants will be required to bring the actual pieces of art previously submitted digitally. At that time, please be prepared to speak briefly about why you became an artist, your background, and information about your art.
