

Artist Application

Thank you for your interest in displaying your art with the Art Gallery of SnoValley!

All artists rent display space for \$55 per month. There are 4 levels of participation, which determines the commission rate on sales (see below). Full members staff the gallery (4-6 shifts per month) and assist with gallery management tasks (8+ hours per month). Shift members just staff the gallery (4-6 shifts per month). Task members work on gallery tasks (12+ hours per month). Display Artists simply bring their art to the gallery to be displayed. Please complete the form below and save it with your name and date. Please print it out to sign.

Commission Rates:

Please send 3-5 digital images (jpgs) representative of your work, along with this completed application and a little information about yourself to SnoValleyGallery@gmail.com. The Gallery Members will review your application and contact you within 1-2 weeks.
